A NEW BEGINNING

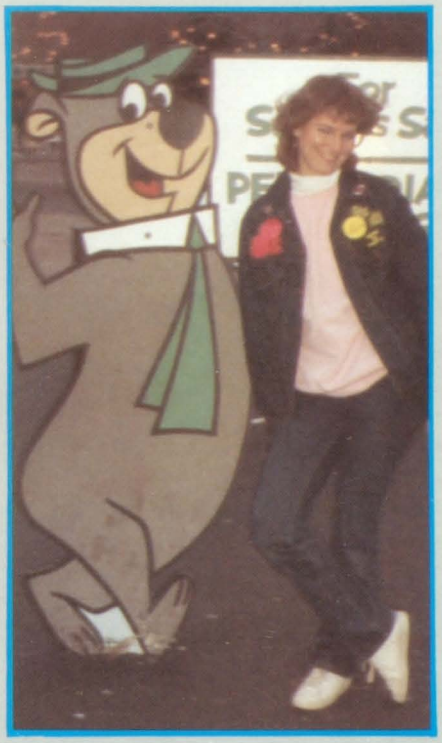

As many of you may recall, quite a few changes took place at B. H. S. during the 1984-85 school year. The first change noticed when coming back to school was the newly paved parking lot. It was a pleasant switch from the potholes of the previous year. We also entered the school year under the direction of a new superintendent, Dr. Freeland.

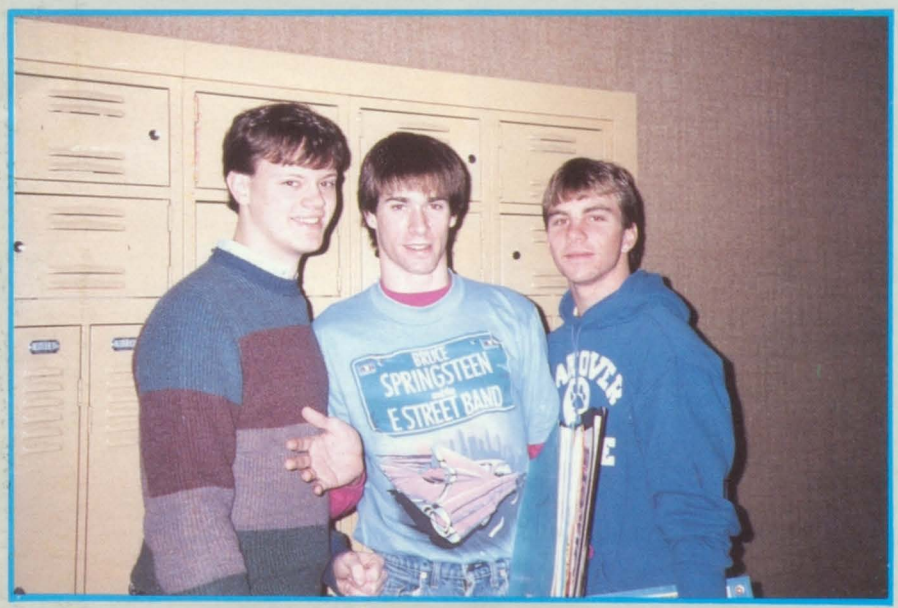

Most of the changes put into effect during the school year were due to state regulations. Some were the longer school day, seven periods, no more lounge time, less convocations, and in-class exams instead of an open campus. Some positive results from the schedule change were 52-minute classes in place of 55-minute classes, a wider variety and choice of classes, and a 15-minute activities period held every Wednesday.

The last highly noticeable change was the installation of posts positioned around the school building. There were probably many more things that you noticed changed throughout the school year, but these were the ones that affected the entire student body.

BATTLE FOR CLASS PRIDE

Silence filled the air in the early evening on Friday, September 28, 1984 at the Batesville football field. It was a special night, for it marked the final Friday night Jr.-Sr. Powder Puff game. A few minutes before 7:00 p.m. the first car pulled into the parking lot. The silence was lifted by the sound of excited students.

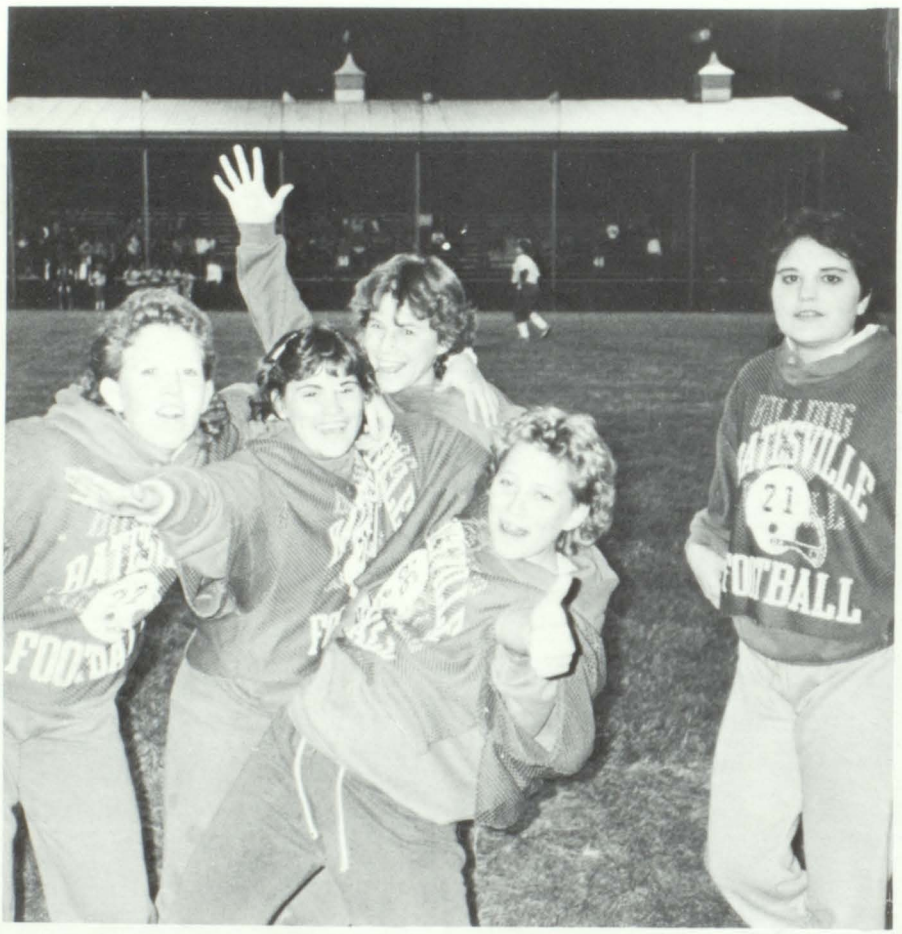

With the sound of the referee's whistle, the soccer ball was put into play. The juniors got off to a good start by making the first goal. The seniors then scored in the second quarter.

The half-time entertainment was provided by the Powder Puff king candidates: Paul Fasbinder, John Enneking, and Jason Schwettman. Paul won the competition by finding a Hershey kiss within a pan of whip cream. Another form of entertainment was the cheerleaders, who were quite amusing to watch.

The final goal was made in the fourth quarter by the juniors giving them the lead and a victory. After congratulations were given, the crowd departed, bringing silence to the field once more.

PICTURE PERFECT PARADE

Batesville High School held their Harvest Homecoming parade on Saturday, September 29, 1984. The parade began at 12:30 and was led by the local police and fire departments along with the Batesville High School Band.

Next were the queen candidates, who were followed by the rest of the court. The winning float was created by the sophomores. Many businesses and organizations from the community participated in the parade. There was a good turnout for the parade. Overall, it was quite successful.

Below Left . . . Freshmen cheerleaders, Rosie Adams, Tracy Harvey, Cheryl Poettker, and Lisa Vogt enjoyed supporting their team. Below . . . The senior class received second place with their brightly colored float.

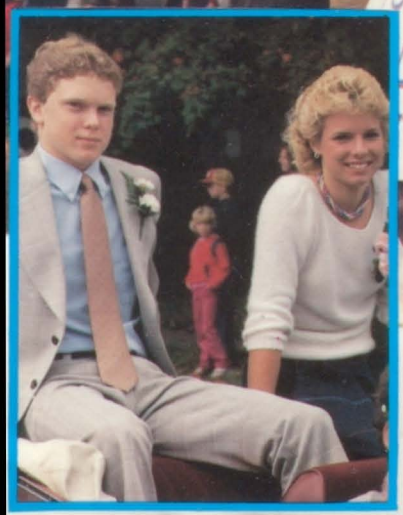

For their first float, the freshmen class turned out an excellent product.

QUEEN CROWNED

The tension built as the end of the first half drew near. It seemed like a lifetime before the band marched onto the field. Slowly, the underclassmen Representatives were announced. Cristin Signom and her escort, Andy Westerfeld, walked onto the field followed by Robin Glaub and Randy Wade. Next, sophomore Representatives Mary Ekins and Cindy Wirth, escorted by Steve Galle and Jeff Greiwe, were introduced. The juniors were then presented to the crowd. Jodi Davis was escorted by Bryan Fledderman, and Lisa Nobbe was escorted by Luke Billman.

Finally, the moment came for the queen candidates to be announced. Kathy Doll and her escort, Keith Hazelwood, were presented first. They were followed by Jill Hegwood, escorted by Jason Schwettman, and Claire Werner and Brian Allen. After a moment of silence, Claire Werner was named the 1984-85 Homecoming queen. She was presented with a bouquet of roses and a crown by the football captains, Steve Stirn and Mike Hansen.

Claire Werner is still in shock about the Homecoming queen results.

THE TIMES, THEY ARE A CHANGIN'

As we walked the halls of B. H. S. day after day, most of us noticed various changes taking place in the teachers and students. We saw many styles pass as time marched on. It was interesting to see the wide variety of clothes, ranging from Forenzas and Guess jeans to t-shirts and faded jeans with holes.

Besides the change in styles, there was a change in attitude. Students began to act more themselves. Within the different "cliques" it was possible to see a unification of ideas. Many students adopted a new outlook on school due to the various changes. For some, school became very boring because of the addition of one class period, but for others, that one class made the difference. There will always be changes throughout the ages, but the one thing that will never change will be the memories made in high school.

CHANGING DATES

Semi, as many of you may remember, was moved to an earlier date this year. The annual semi-formal dance was held on December 8, 1984 at the Knights of St. John's Hall.

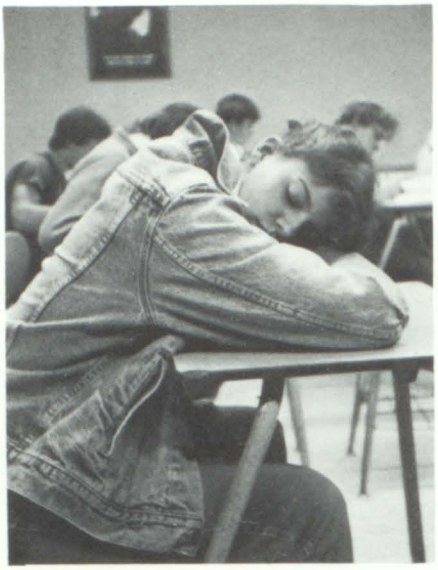

For many, the evening actually began in the afternoon with the various preparations for the "big event", such as washing the car, picking up a boutonniere or corsage, and "primping" for their date. By the time all of that was done, it was time to leave! For some, the evening with their date began with a fancy meal in an elegant restaurant.

The entertainment for the evening was provided by **Spector**, a band out of Beech Grove, Indiana. A lot of people danced to the wide variety of music provided by the band. By the end of the dance, many of the people who attended were either ready to go to bed or go to someone's house for a party.

Members of Spector "get down".

"EXCITING" DAYS BECOME THE SAME

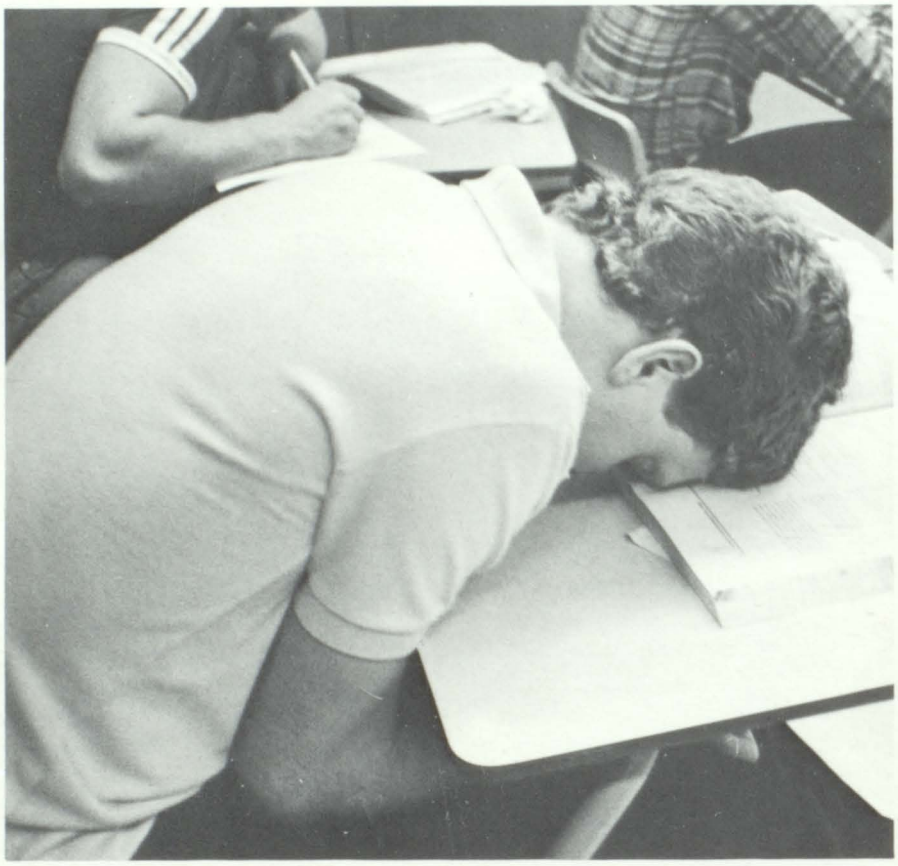

Left ... Christie Miller studies hard in Mr. Lemen's English class. Below ... Sharon Freese can't hold back her excitement to be in Spanish class.

It seems like nothing ever changes! Every year it's the same. We come to school in the morning, do homework, study, and go home in the afternoon. From fall to spring we all get into a set routine that doesn't change.

Boring you might say? Never! Students can see friends and catch up on the latest activities. Classes are always exciting, and no one ever gets tired during the day, except this selective group, which appear to be missing out on something!

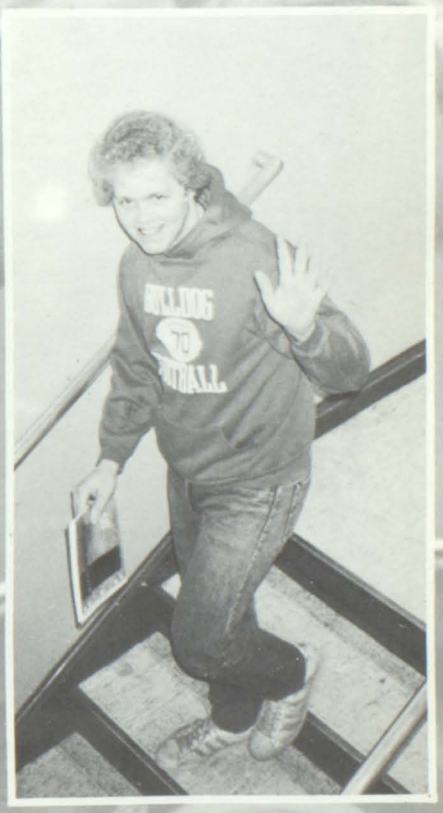

Wake up Luke Billman! (Guess he's tired from basketball practice!)

Why are you sleeping Kate Ekins? Your outfit should keep you awake, if English class can't!

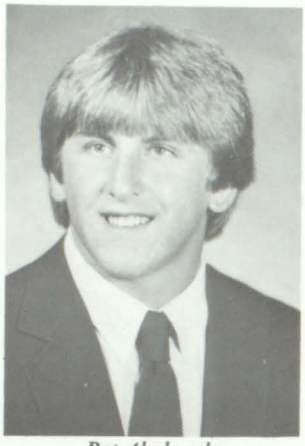

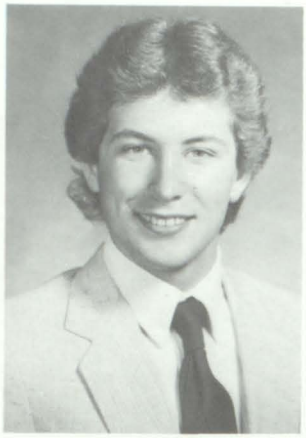

The Senior class had a very productive year. It began with the building of a float for Homecoming, which won second place with the saying "The Bigger They Are, The Harder They Fall". The next major project taken on by the Senior Class was Graduation. The Senior Class colors were blue and silver. The class officers were: Carman Klutts—President, Jon Butte—Vice President, Julie Brescia—Secretary, and Maria Daily—Treasurer. The sponsor for the class of 1985 was Mrs. Louella Voegele, who did a fantastic job with the Senior class! Thanks, Mrs. Voegele!

SENIORS—AT LAST!

Many changes were experienced by the Seniors throughout the 1984-85 school year. The biggest change was that the class of 1985 was finally the oldest group of students at BHS. Many Seniors had changed over the summer and had to deal with the realization that they were finally growing up. Knowing this was their last year at BHS, they tried to make the most of it. Many students excelled in sports and academics, as well as became involved in various clubs. The faculty and students expected the class of '85 to be leaders, and they lived up to everyone's expections.

Many seniors began to prepare to further their education early in the year by sending off applications to colleges or by indicating interest in a particular university. Many students were all ready "hitting the pavement" looking for a job.

In the midst of all the preparation for the future, students still found time to enjoy themselves and "let loose". This involved such activities as Homecoming, Spring Break, Prom, Grad Night at Kings Island, and PARTIES. The class of 1985 had some good times but the friends, hard work, and dreams will always be remembered as a large part of their life at BHS.

JUNIORS

The Junior class, with President, Kate Ekins; Vice-President, Lisa Nobbe; Secretary, Gena Zeigler; Treasurer, Lori Meyer; and Sponsor, Mrs. Bischoff, kept very busy this year with their preparation for the '85 Prom. We sold candy, pop, and Bulldog Cups at school activities to raise money. At Homecoming, we were also busy preparing for our **great** victory over the Seniors in the Powder Puff game.

SOPHOMORES

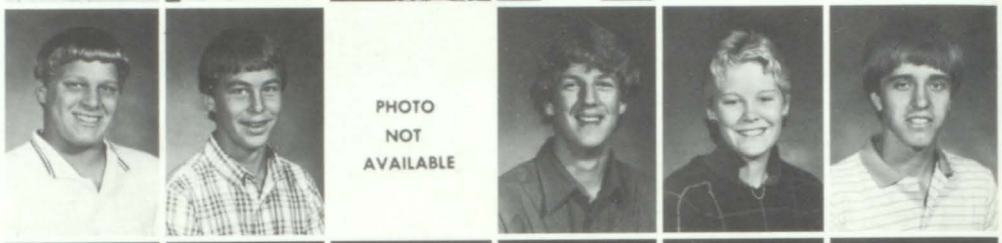

The Sophomore class of '87 has accomplished many goals this school year. They started the year off by having the winning homecoming float with a successful dance following the game. They finished the year by raising funds for the upcoming Prom in 1986. One of the fun-draisers was the Peppermint Post-Office during the Christmas season. The officers this year were: President—Michelle Westerfeld, Vice President—Missy Meyer, Treasurer—Andy Brebberman, Secretary—Missy Stirn, Sponsor: Mr. Woodmansee.

FRESHMEN

The Freshmen entered Batesville during a period of great change, but they adjusted nicely. They soon fit into the picture and got the swing of things. The biggest project for the class of '88 was getting together and creating a float to enter in the Homecoming Parade. They ended up placing third with the saying "Truth, Justice, and the Bulldog Way". The officers for the Freshmen were: Randy Wade—President, John Moore—Vice President, Tonya Hall-Secretary, Tracey Meyer—Treasurer. Sponsor Mr. Gene Wuestefeld.

MANY CHANGES STILL AHEAD

The underclassmen at any school have always had it rough, but the underclassmen at BHS had to face a year full of changes. The changes will continue throughout the next year with the remodeling of the high school and replacement of faculty members. Many standard adjustments have been easily accepted in past years, but to add entering a new environment and meeting new people makes things a little more difficult.

A common stereotype which many underclassmen have fallen victim to is that of all freshmen, sophomores, and juniors are immature and foolhearty. This theory was derived in their high school careers. Many freshmen gained their "titles" from trying to prove to the upperclassmen, especially the seniors, that they were their equals and capable of doing anything they could do. Usually, these "big" chances backfired and unknowingly proved to the seniors that they were a little immature or goofy.

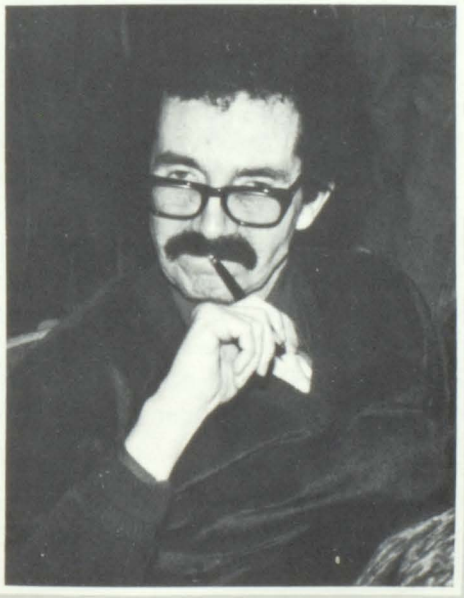

Just think, when the underclassmen are seniors, they'll have plenty of fun and silly memories to look back on. Being one of the "little fish" in a big sea has always been more fun than becoming a "big fish" early in life.

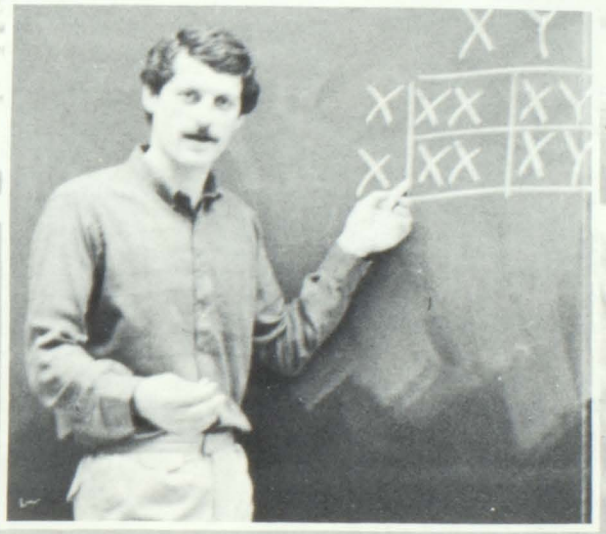

Is it that you don't like it here, Amy Bohman and Mary Ekins?

BHS FACULTY

The faculty at BHS was a terrific bunch of people, as always. They were there when you needed them and even when you think you didn't. Any member of the staff may have corrected you for some wrong doing, but they always meant well, just like your parents! The staff at Batesville has been considered to be one of the best in this area and always will be.

Many changes were incorporated by the Administration this year, but a majority of the teachers accepted them without thinking twice about the situation. The staff at BHS made and will always make the high school seem like a "home away from home".

SPORTS

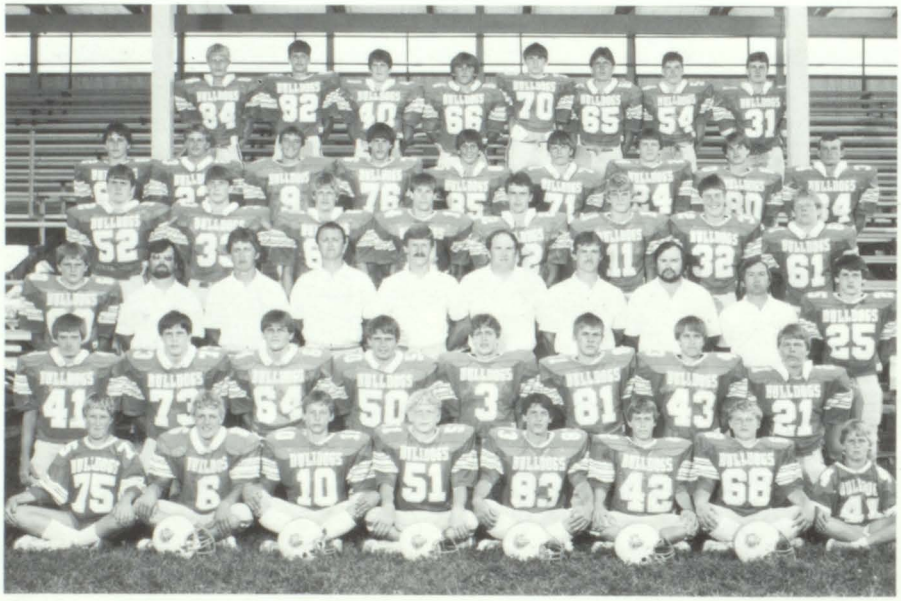

BULLDOGS END YEAR WITH 9-1 RECORD

The Batesville Bulldogs completed a fine year by posting a 9-1 record. Their perfect, undefeated season was foiled by the semi-state contenders, Lawrenceburg, with a score of 14-6. The 'Dogs placed a very respectable second in the EIAC with a 4-1 record.

Many players were honored for their outstanding performance throughout the season. Captains Steve Stirn and Mike Hansen, Offensive Linemen, John Enneking, Pat Abplanalp, and Mark Stock were named to the All-Conference Team. Stirn, Abplanalp, and Hunter were named to the All-State Second Team. Abplanalp was also named to the first team of the Herald Telephone and UPI. Several players earned achievements off the field. Mark Stock, John Enneking, Mike Koetter, and Mike Hansen were named to the first team of the Academic All-State. Although the team will be losing many talented seniors, the future teams are anticipated to do well.

NETTERS REBUILD

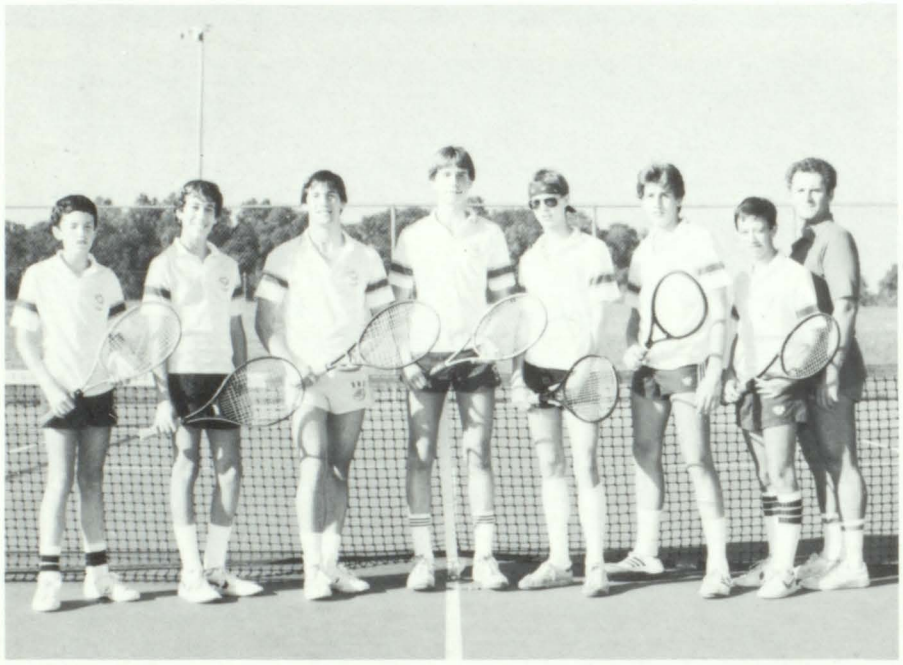

The varsity tennis team worked hard this year. Several changes occurred with the team, including a new coach, Mr. Lang.

The team did not have the best season with their 4-9 record. But, Coach Lang felt that next year's team will improve even though they will have lost two senior players, Chris Geis and DG Geiser. This was one of the youngest teams in a few years and needs to get some experience. The addition of 10 freshmen in '85 will boost the team in the future.

EIAC CONFERENCE CHAMPS AGAIN

Lead 'em Nancy Bailey

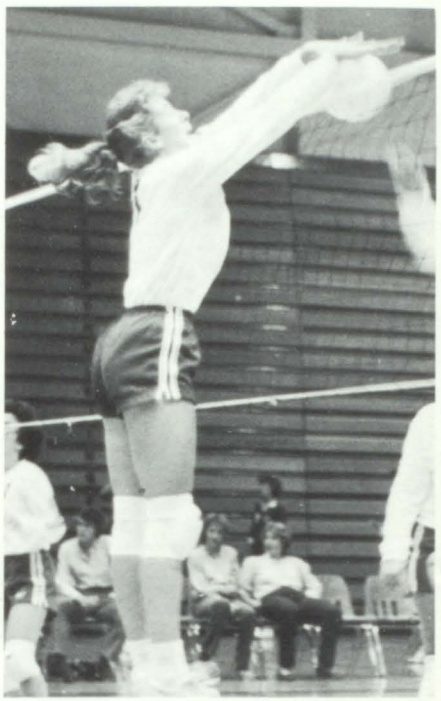

The Varsity Volleyball team finished the 1984-85 season with an impressive 18-3 record. Even though they lost to South Ripley in the final game of the Sectional, the Bulldogs managed to wrap up the Ripley County Tourney and also became Conference Champs for the second year in a row. The Lady Bulldogs were coached by Cheryl Parmer and assisted by Pam Ryan.

The Reserve team also had a successful season with ten wins and seven losses. A number of the reserve players proved themselves ready for Varsity play and were moved up for the tourney and Sectional games.

The freshmen team finished their season with a 3-9 record. The team showed great improvement throughout the season and will be a help to the team next year.

The Pack in '84

This year the boy's Cross Country team with Coach Raver had a fairly good season. "The Pack in '84" was led by John Harmeyer, who finished the school course in 16:30, the fastest time ever held by a Batesville runner. The high point of the season was a narrow (one point) victory over Jac-Cen-Del at the Ripley County Invitational. The boys' team also won sectional, but came in a disappointing sixth place at Regional.

WATCH THOSE MILES GO BY

The Girls Cross-Country team finished the season with a superb 10-4 record. They came in second in the County and Conference. They were third in the Sectional. Michelle Voegele was voted MVP and set a new school record at 16:04. The team consisted of Connie Baumer, Fern Walker, Anna Glaub, Carla Goldsmith, and Robin Glaub. Overall, the season was quite successful.

UNDERCLASSMEN MAKE UP THE GIRLS GOLF TEAM

The 1984-85 golf team was lacking when it came to senior leadership. Despite this, the girls worked together and had a very successful season. Highlights of the season were a 2nd place Conference finish, 3 all-EIAC team members and two members making the all-Sectional team.

The five Varsity members were: Amy Bohman, Kate Ekins, Mary Ekins, Lisa Nobbe, and Alisa Robertson. Most Valuable Player for the team was Kate Ekins, who also qualified for Regional competition. The team ended the year with a 14-7 record.

Junior, Lisa Nobbe played a strong #2 for the team.

The 84-85 wrestlers put a lot of effort into this season. The Varsity went the entire season without a 105 weight class; this automatically gave the opposing team six points. That did not stop the grapplers from giving 100% during each match. The week before the EIAC, the wrestlers worked as hard as they possibly could to prepare for the big match; the team placed second. Every Batesville grappler placed in the Sectional. Four wrestlers advanced to the Regional. They were: Chris Bryan, Wayne Gibbs, Steve Bryan, and Jeff Hunter. Mark Stock and Chris Bryan were the only seniors on the team. The outlook for next year's team is very good.

A job well done!!

A FINE SEASON FOR THE LADY BULLDOGS!

The 1984-85 girls basketball team had a highly successful season by making it all the way to Indiana's Sweet Sixteen. The team ended its season with a record of 21 wins and 4 loses, which became a new school record. The team experienced a 9 game winning streak until they were defeated by Austin in the semi-finals. The team averaged 43.6 points a game while surrendering only 36.6 points per game to the opponent.

Batesville's girls basketball team was named the EIAC, sectional and regional champs. Shelley Erhardt ended the season with the most field goals made. Nancy Bailey had the high average of 41% for field goals. Lisa Nobbe made the most free throws, and Sharon Effinger and Lana Dickman tied for the most steals. Shelley Erhardt was named MVP for the 1984-85 basketball season.

Nancy Bailey, Shelley Erhardt, and Lisa Nobbe were named All Conference. Sharon Effinger and Shelley Erhardt were named All-County. Nancy, Sharon, Shelley, and Lisa were named All-Sectional and All-Regional. Sharon Effinger was also named on the Honorable Mention list of the Academic All-State. A great honor was bestowed upon Nancy Bailey and Shelly Erhardt by being appointed to the Semi-State team. Shelley also had another great honor by being asked to try out for the Indiana All-Star Team and listed as one of the Top 40 in the state.

A SEASON FOR REBUILDING

Andy Brebberman, the first one through.

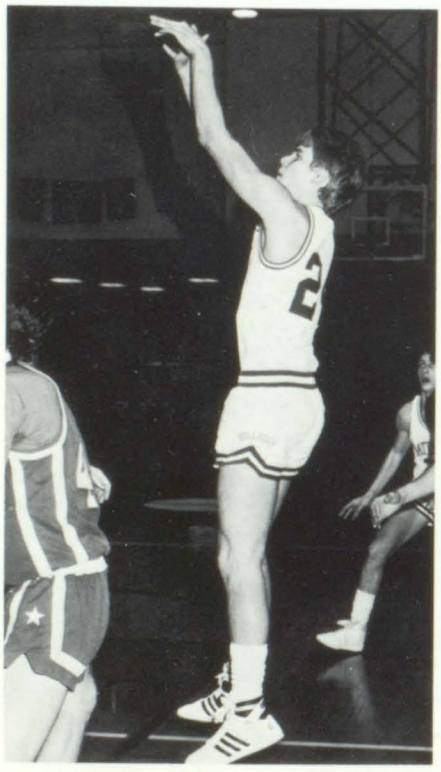

The 1984-85 Batesville Bulldog Basketball team finished with a 5-15 record, losing to East Central in the first game of the Sectional. Inexperience was the main problem in the early part of the season, as only Steve Stirn and Luke Billman returned with limited Varsity experience. Mike Hansen was the only senior besides Stirn on this year's Bulldog team.

The Bulldogs saw much improvement as the season matured. Steve Stirn was selected the M.V.P., as well as being named to the All-E.I.A.C. team, along with teammate Luke Billman. Steve Galle won the freethrow award along with a fine 73%. Mike Hansen was selected to the Indiana Basketball All-Academic honorable mention team.

BOY'S GOLF
WHAT A SEASON!

The 1985 boy's golf team had a fabulous year after losing several players from last year. The team had only one returning varsity member this year, but the new members performed wonderfully.

Members of the varsity team were Tony Kolter, Mark Dreyer, Mike Fleck, Dave Gutzwiller and Rick Hertel. The five-some placed first in the EIAC, in Sectional and did very well in the Regional competition. With only one senior graduating, there is great promise for next year's team.

GIRLS GO THROUGH A 'REBUILDING' YEAR

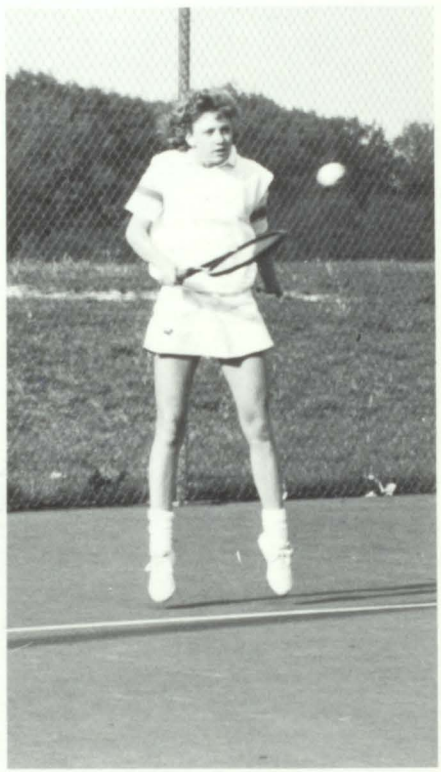

The girls' tennis team this year had a rather difficult season, but a most enjoyable time, too. With a solo victory all season, the girls realized that the old saying "winning isn't everything" was more accurate than ever. This year's team graduated only one senior, Anjie Ziegler. With all of the underclassmen returning, next year's team holds great promise.

TRACK TEAM HAS A STRONG SEASON DESPITE LACK OF FACILITY

1985 was another year for the track team without a home meet. Once again the team proved to be a very strong and determined group of athletes. The boys finished their season with a 7-4 record, a 1st place finish in the county tourney and a 4th place finish in Conference.

Strong individuals on the team were: John Harmeyer—State qualifier 3200m, Scott Lyle—Regional qualifier 100m, and Brad Decker—Regional qualifier High Jump.

All-Conference awards were presented to Sharon Effinger in the long jump, Jessi Parmer for the 100 meter dash and the 200 meter dash, and the 440 relay team. TAKE ME OUT TO THE BALLGAME

The 1985 Bulldog baseball team had a great year with a 15-7 record and a third place Conference finish. Five Bulldogs were chosen for the all EIAC team: Willie Hoegeman—second base, Mark Martin—center field, Bill Barnhorst—pitcher, Steve Stirn—catcher, and Ed Scheele—third base. The hitting trophy was awarded to Willie Hoegeman with a .410 average. The Most Valuable Player this year was Steve Stirn.

Pitching was a strong point for the team this year. Luke Billman and Steve Galle each had 4 wins and 1 loss. Bill Barnhorst had a 4-2 record and Mike Ertel had a 2-0 season. Bill Barnhorst had a no-hitter vs. Greensburg, and Toby Rau allowed for only one hit to South Ripley.

Many of the members will be returning next year, so another great season can be expected.

WHO YA ROOTIN' FOR?

The cheerleaders get the fans fired up.

The hard work and dedication of the cheerleaders was evident by their performances at the football and basketball games this year. They did an excellent job of getting the student body involved in the numerous athletic activities at BHS. The teams also appreciate the support the cheerleaders give them.

The Varsity and Reserve squads attended summer camp to learn new cheers. During different weeks they went to Indiana University at Bloomington. The reserve went for the United States Cheerleading Association Camp and the Varsity for the Dynamic Cheerleaders Association camp.

The sponsors this year were Mrs. Brandes for the Varsity and Reserve, and Mrs. Edwards for the Freshmen. Both did a great job.

STUDENT LEADERS

The Student Council was productive this year with Paul Fasbinder as the President. With the help of the other student council officers, Jason Schwettman—V.P., Chris Bryan—Treasurer, and Sammy Hall—Secretary, many activities were sponsored. The new schedule did not allow for meetings to be held during school, so members had to put extra effort into making it to the meetings.

A slave auction was held in cooperation with the Varsity football players on the first day of school to welcome back the student body. Student Council also sponsored Hill-Rom Day, Homecoming, Semi, Teacher Appreciation Day, special holiday dinners, and Student Activities Day. They did a fine job working around the communication problems and helped to make the school year interesting.

SWING CHOIR AND CHORUS

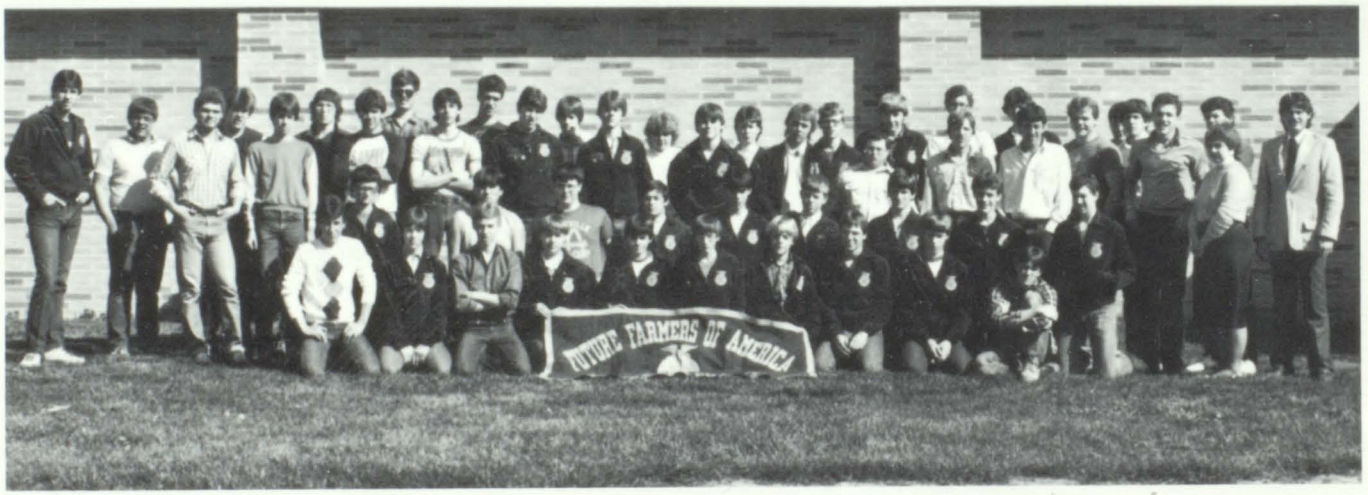

The Swing Choir and Chorus got off to a brand new start this year. Swing Choir was made a class and Mrs. Gray became the new music director. Her new ideas gave a spark to the choral department and the students were really ready to work this year. And they did! Both groups performed in the Fall, Christmas, and Spring concerts, plus performances for various organizations in the community. With this new enthusiasm, music at BHS was given a new beginning.

FUTURE FARMERS OF AMERICA

The Batesville Chapter is proud to be a part of the Indiana FFA Association. Here in Indiana the FFA is the only state organization that owns and operates their own FFA Leadership Center. Chapter officers were: President—Alex Hankins, Vice-President—Tom Siefert, Secretary—Tim Eckstein, Treasurer—Randy Ostendorf, Reporter—Eric Thie, Sentinel—Eric Kessens. Greenhand officers were: President—Eric Ripperger, Vice-President—Tom Muckerheide, Secretary—Carla Simmermeyer, Treasurer—Susan Ripperger, Reporter—Ed Dierckman, and Sentinel—Mark Hartman. We were well represented at District contests and county judging contests, and our chapter members attended the State Convention in June. The main moneymaking activities were: the FFA farm plot, apple sales, and Vitality seed sales.

The FFA sponsored a "Kiddie Tractor Pull" for one of the many events held during Harvest Homecoming.

EL CLUB DE ESPANOL

Below . . . Joanie Obermeyer poses with Fred Flintstone at Winterfest. Below Right . . . Senior member, Tammy Back, relaxes for awhile.

The 1984-85 Spanish Club had a rather large membership among the freshman class. It was a fun and exciting year for all of the members. A board of directors was established in the third and fourth year Spanish class. This newly formed board aided the club officers on important decisions concerning club activities. The officers were: Sharon Freese, President; Jennifer Hales, Secretary; and Angie Volk, Treasurer.

The club took some rather enjoyable trips this year. Some such activities were going to Winterfest, rollerskating, going to Casa Gallardo, and having a pizza party. The Spanish Club also continued to sponsor a child in another country to aid in maintaining his health and helping him achieve a decent education. This year a new idea was tried by scheduling a series of bake sales in the lounge. They were highly successful.

A Spanish exchange student, Sandra del Carpio, stayed with the Hales family for the last three months of the school year. Her visit was a very pleasant one for everyone. Another exciting event was the marriage of the club sponsor, Mrs. Walsman, who became Mrs. Seright.

MEDIA ASSISTANTS

Without the media assistants the operation of the library would be a grueling chore. These students are a valuable asset to the media center. Their jobs range from checking out books, collecting money for overdue books, running the copy machine, and keeping the media center in top condition. They also perform tasks given to them by Mr. Hochstetler and Mrs. Struewing. They have been very helpful to students and some teachers by assisting them with audio-visual equipment and research.

SCHOOL MANAGERS

The cafeteria workers were a vital part in the management of Batesville High School. Students have always complained about the food served in the cafeteria, but in all actuality the cooks were doing a great job by looking out for the nutritional interests of the student body. This year, approximately ten students aided in the maintenance of the cafeteria. These students made the workload for the cooks a bit lighter.

The custodians were highly beneficial in the overall maintenance of Batesville High School. They did a fine job in keeping the school running in mint condition.

VICA AND ICT/ICE

VICA (Vocational Industrial Clubs of America) is an intercurricular club for students enrolled in trade, industrial, technical, and health occupational training programs. The purposes of the club are to develop leadership, to perform community and civic services, and to participate in recreational and social activities.

The local VICA Club was divided into two sections. The section officers were: Presidents—Dave Kruthaupt and Steve Meyer, Vice-Presidents—Keith Hazelwood and Andy Glaub, Secretaries—Lee Narwold and Betty Gunter, Treasurers—Tammy Kunkel and Chuck Prickel, Reporters—Dave Werner and Jim Schwegman, Parliamentarians—Joe Schwegman and Rick Schwegman, and Sergeants-at-Arms—Valerie Borgman and Randy Gunter. The local VICA Advisor was Mr. Don Carmichael, ICT/ICE coordinator. The officers of the Batesville VICA Club were: President—Keith Hazelwood, Vice-President—Francis Bedel, Secretary—Steve Meyer, Treasurer—Alvin Davidson, Reporter—Brent Sarringhaus, Parliamentarian—Dave Werner, and Sergeant-at-Arms—Joe Schwegman. The Outstanding ICT student was Mike Fasbinder and Cheryl Giesting was the Outstanding ICE student.

NATIONAL HONOR SOCIETY

National Honor Society is quite an achievement which any high school student can attain. To be considered a member of National Honor Society, one must have a 95% average or better. If you are able to maintain this average throughout your high school career, you are able to graduate with honors. Each of these students should be congratulated for a job well done.

The Key Club has only been an organization of BHS for two years, but the organization itself has been in existence since the early 1900's. It is the largest high school organization in the world with over 100,000 members in Canada, USA, and the Carribean. It is a school and community service organization with the motto "Caring—Our Way of Life". At this time our club had seventeen members with hopes of expanding it greatly.

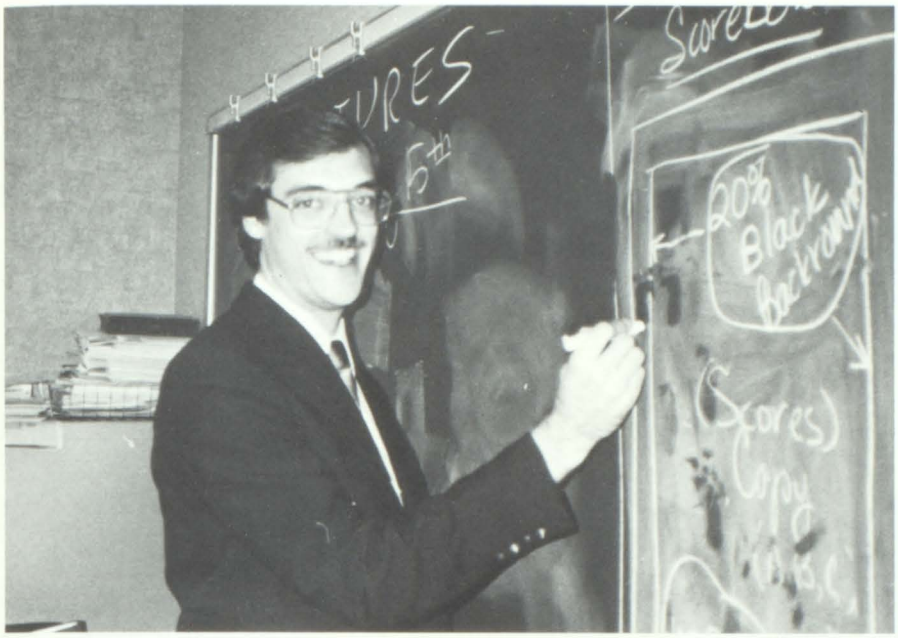

CAMPUS LIFE

Campus Life is the "new kid on the block" for Batesville although there are many Campus Life clubs in high schools all across the country. Batesville's club kicked off with a pizza bash on January 24, which was a big success. The club met in students' homes on a weekly basis. Each week a topic was discussed which related to teenagers and their problems and concerns. The club's major event of the year was their trip to Florida over Spring Break. Five Batesville students and the sponsor, Mr. John Woodmansee, attended. Lonnie Fields, the regional director also accompanied the group. A trip to Washington, D. C. along with 25,000 other high school students was the highlight of the summer of 1985.

A NEW BEGINNING

Mr. Larry Lemen, Yearbook Advisor, shows how it's done.

As many students were aware of, the 1984-85 school year marked a new beginning for the Bulldog staff. It was the first year in which class time was given to work on the yearbook. The class enabled the staff to take pictures, arrange layouts, and write copy during school instead of having to take yearbook pages home to work on. Many students that took the class may remember getting in trouble for goofing off or not doing something correctly, but in general, the class was a success. It was a nice change and enabled more students to participate in the production of the Bulldog.

THESPIANS STAGE IT

The Thespian Club of 84-85 was strong in numbers and in talent. Not all members may appear on the stage during a performance, but the behind the scene workers sure do more than their share of the work. The set with scenery and furniture has to be changed between scenes and someone has to move the stuff and open and close the curtain.

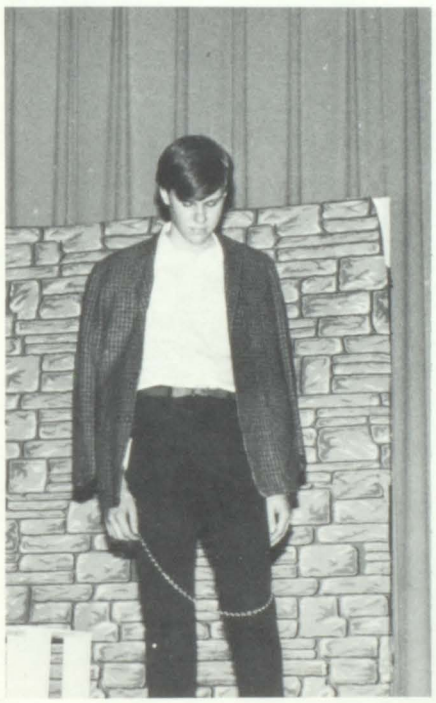

Under the direction of Mr. Hayes, the Thespian Club sponsor, the club performed one play this year, "The Tinder Box." The usual musical was not organized since several club members were not in the choral program, and it was thought that to qualify for a singing part one should have some experience and training.

Even if the performances weren't professional, the thespians devoted many evenings for practice and dress rehearsal. They learned how to put on a play and how much work it takes.

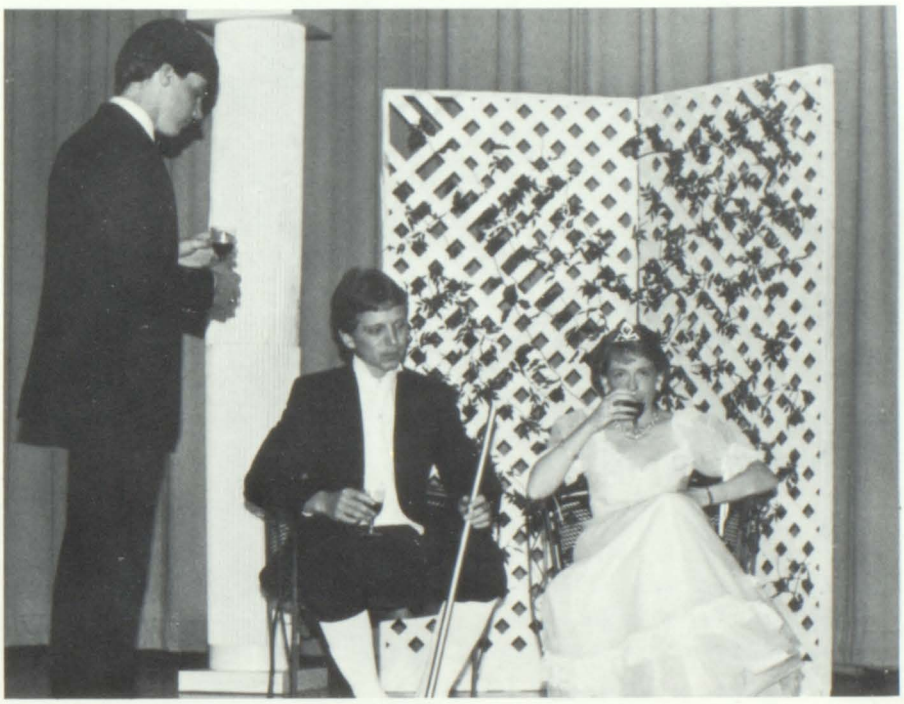

THE TINDER BOX

Chris Bryan portrays the White Dog in the high school's production of The Tinder Box.

Jef Nobbe acts the part of desolate Peter while in jail.

Jef Nobbe toasts to the King and Queen played by Don Davis and Vicki Weisenbach.

Connie Baumer makes her debut as the "Weird Face".

The princess, Julie Brescia, tells of her terrible royal life.

Brad Decker, Ken Schwartz, and Sammy Hall enjoy insulting each other.

The cast of "The Tinder Box" run around trying to find the mouse.

Brenda Becker, playing the part of the witch, gets Jef Nobbe to go in the tree for her and get the treasure.

The play is a dramatization of the famous fairy tale by Hans Christian Andersen. It is the story of a handsome ex-soldier whose magic tinder box commands three very unusual dogs. He falls in love with a mysterious princess whose lady-in-waiting turns out to be a not very adept witch. The witch is aided by two cats who are very independent. The humor is in a very unusual vein for a fairy tale.

OUTSTANDING SCHOLASTIC ACHIEVEMENT

The twenty-sixth annual Scholastic Awards Program was held on April 30. Students in grades nine through twelve were honored for making the Honor Roll the first semester and the fourth and fifth six week grading periods. The program is sponsored by the Batesville Jaycees and is the highest academic honor.

Senior plaque winners were: Tammy Back, Julie Brescia, Don Davis, John Enneking, Shelley Erhardt, Monina Garcia, Chan Gutzwiller, Sammy Hall, Mike Hansen, Teresa Holzbacher, Renee Hornberger, Tammy Kunkel, Jim Kuntz, Kim Martin, Bob Meyer, Jef Nobbe, Diana Ripperger.

Third year certificate winners were: Linda Eckstein, Steve Bryan, Charissa DeFrancesco, Kate Ekins, Julie Elder, Sharon Freese, Sandy Grieshop, John Hammerle, Tim Hunter, Debbie Krieger, Lori Meyer, Amy Naegele, Lisa Nobbe, Lisa Rosfeld, Julie Sarringhaus, Chris Stroebel, Mark Timke.

Second year certificate winners were: Brenda Becker, Maria Daily, Brad Decker, John Grossman, Greg Schrader, Jeff Bohman, Andy Brebberman, Steve Galle, Jeff Hunteman, Mark Martin, Barbara Meyer, Trevor Moeller, Victor Sarringhaus, Jim Walke, Rick Wilhelm.

First year certificate winners were: Pat Abplanalp, JoLynn Hammerle, Jeff Heidlage, Carman Klutts, Vicki Weisenbach, Tom Demalon, Tom Mack, Pam Siebert, Tina Dickman, Scott Fasbinder, Tom Gillman, Leah Hafer, John Harmeyer, Tom Daily, Lee Davidson, Kris Effing, Robin Glaub, Donna Harrelson, Eric Meyer, Tracey Meyer, John Moore, Norman Porter, Maureen Schumaker, and Jenny Wilhelm.

SPRING BREAK '85

Spring Break was an exciting week for many Batesville students. Florida, as usual, seemed to be the "hot spot" for spring breakies who needed a vacation. The sun and the surf invited many BHS students to take a break. Whether high schoolers were with their friends or with their family seemed not to matter, just as long as they were having fun! Many new friends were discovered as well as new experiences. A Florida spring breaker was spotted the week after by their deep dark tan.

Florida wasn't the only place where things were "happening". Some students chose to have fun in the sun in California. A select group of student council members chose to go to school in Iowa. These students participated in an exchange program with members of a high school in Iowa. A few seniors decided to visit colleges and make their final decision on what institution to attend. Mr. and Mrs. Seright enjoyed Spring Break because they got to go away for their honeymoon. Then, there was that group of people who chose to stay in good ole' Indiana. But soon the fun and sun were over, and it was back to school.

ALMOST PARADISE

The 1984-85 Prom Queen and King, Chan Gutzwiller and Steve Stirn.

Prom was held in the gymnasium on April 27, 1985. The theme was **Almost Paradise** with music by Classix. The decorations were done in a Hawaiian style, giving an authentic atmosphere to the evening.

The night began at 8:00 with music and dancing. At 10:30 Mr. Lemen announced Chan Gutzwiller and Steve Stirn as the 1984-85 Prom King and Queen. The crowd slowly faded away and the Prom soon ended.

After-Prom began at 12:30 with the Kiwanis Club providing a Casino area. A professional hula dancer taught many students how to shake and sway. Many prizes were donated by local businesses, which the students won. At the end of the evening the cash prizes were given away with $200 won by Mark Stock, $100 won by Bob Shrank, and $50 won by Tim Hunter.

Gena Zeigler and Lori Meyer wonder where their dates went.

TIME MAY CHANGE ME, BUT I CAN'T CHANGE TIME

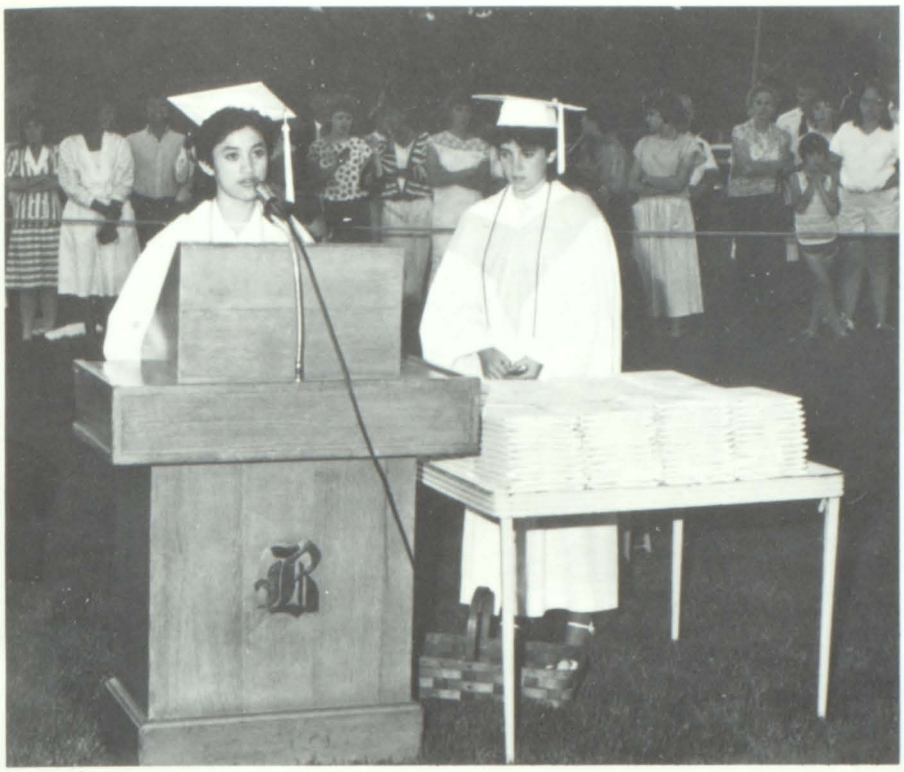

There were many mixed emotions coming from the class of 1985 about leaving BHS. Many graduates thought about leaving their close friends behind and starting a new phase of their life. There were quite a few tears shed, but overall, relief was experienced by many.

Speeches were given by selected students and centered around the motto, "If you can dream it, you can achieve it. If you can imagine it, you can become it." The class chose the colors of blue and silver, the same as for their Junior Prom, to be the colors for the 1985 commencement exercises. The class flower was the white rose. A farewell was sung to the graduates by senior members of the swing choir. The song was titled, "It's Time for Moving On". The class valedictorian, Monina Garcia, and salutatorian, Kim Martin, were honored for their outstanding academic achievement. The commencement exercises were shared by young and old alike. The class of 1935 celebrated their fifty year class reunion and shared words of wisdom with the class of '85.

Despite the many changes and new experiences in store for the class of '85, the memories they made, whether good or bad, will always remain the same. Granted, the graduating class has and will always in some way be affected by the changing times, but they will always be the same in a special kind of way.

SOME THINGS NEVER CHANGE

Some things never change, such as the smiles on our faces when we're with friends. No matter how many changes are incorporated into the school, there will always be a few things that will remain the same throughout the ages. One such example is the friendships which are formed in high school. From the most outgoing to the shyest person in school, there has always been at least one person who has made them smile when they were sad or cheered them up after "bombing" a test.

Another thing that will never change is the memories that were made with our friends in high school. From the time of our parents to the present there have always been events and moments which have been shared with friends. Some such events were Semi, The Prom, Student Activities Day, Graduation, and all of the private little "holidays" and celebrations we celebrated or enjoyed. There were also those little secrets and big embarassments which only your friends remember. No matter how much the times change, the memories and good times will always be there and be remembered.
